

**Are you looking for a meaningful volunteer experience?
Become a Corporate Advisory Ambassador!**

The Canadian Women's Foundation is seeking senior corporate leaders who want to leverage their passion for helping women and girls across Canada.

Corporate Advisory Ambassadors are a vital part of the Canadian Women's Foundation's work. Ambassadors use their networks to open doors to new corporate partnerships, bring awareness to Corporate Canada on the serious issues women and girls continue to face, and unlock transformational change that empowers women and girls to move out of violence, out of poverty, and into confidence and leadership.

KEY RESPONSIBILITIES

- Provide strategic support and industry expertise to expand and diversify corporate supporters
- Leverage professional contacts to raise awareness and identify new funding sources for the Foundation
- Work with the Foundation team to solicit and cultivate new corporate relationships
- Recruit new Cabinet members
- Promote the work of the Foundation within your network

LOCATION AND TIME COMMITMENT

- We are seeking Ambassadors from across Canada (open to applicants from all provinces and territories)
- Ambassadors are supported one-on-one by an assigned Foundation staff member
- Foundation staff will provide each Ambassador with the tools, resources and guidance they need to excel in the role
- Time commitment is flexible; work remotely
- Access to a computer and internet is required
- Our Head Office is in Toronto, Ontario

ABOUT THE CANADIAN WOMEN'S FOUNDATION

The Canadian Women's Foundation is Canada's public foundation for women and girls. Launched in 1991 to address a critical need for philanthropy focused on women, the Canadian Women's Foundation is one of the largest women's foundations in the world. With the support of donors, the Foundation has raised more than \$90 million and funded over 1,900 programs across the country. These programs focus on addressing the root causes of the most critical issues, and helping women and girls who face the greatest barriers.
