

# Investment Readiness Program

## Specific Guidance for Applications

*These instructions are intended to help you write your proposal. The committee relies solely on your answers to each section when making their decisions, so please be as specific as possible. Your proposal will be evaluated on how clearly you describe your program and how well the committee can understand what you intend to do. Incomplete applications will not be considered.*

## Application Steps

### STEP ONE: READ ALL SUPPORTING DOCUMENTS

In addition to this document, you can access our Grant Criteria and FAQs on the Canadian Women's Foundation website: <https://www.canadianwomen.org/grants-irp19/>

### STEP TWO: ACCESS THE ONLINE APPLICATION SYSTEM

Applications for Canadian Women's Foundation grants are administered through an online platform called IGAM, [which you can access here](#). You will be required to create an account to use this platform using your email address.

### STEP THREE: COMPLETE THE ORGANIZATION OVERVIEW

Once you create a login for the online application platform, you will need to complete the Organization Overview. Fill out the information in complete detail and be sure that all information is up-to-date. See [Organization Overview Advice](#) below for detailed information on completing this part of the online application form.

### STEP FOUR: COMPLETE THE PROPOSAL QUESTIONS

The online application will guide you through the proposal questions specific to the grant area you are applying for. We have provided [prompts for each question](#) in the following pages to help guide you to develop complete and effective responses.

Each question has been designated a maximum word count that will be enforced by the online application platform. If you wish, you can copy and paste answers that you compose in a Microsoft Word document so you can check your word count, spelling, and grammar in advance.

### STEP FIVE: COMPLETE THE BUDGET

As part of the online application system you will be required to complete a budget for the services/supports you are applying for as part of this granting process.

You do not need to outline the budget for the whole organization or all of your initiatives in this form –please only include the budget for your proposed initiative. See [Project Budget Form Instructions](#) below for support on completing the required budget forms.

## STEP SIX: UPLOAD DOCUMENTS

Upload the most up-to-date versions of each of the documents listed below (in PDF versions only). Please note that not all documents listed below are required in the case that you are applying with an organization that is still in development and does not have some of these pieces of infrastructure yet established. If your organization only has hard copy versions of these documents, you will have to scan them into electronic files for uploading. *We will not accept hard copy versions.*

## Initiative & Application for Support

Application Question	Guidance on your answer	Word limit
Please describe your <b>Social Purpose/Social Innovation/Business Initiative</b> and what key or persistent issue(s) it aims to address. Reference your schedule of activities attached below to briefly explain the timeline and plan for your initiative.	<p>In reading your answer, the committee should have a clear understanding of the purpose of this initiative and what it involves.</p> <p>Use this question to help the selection committee understand exactly how you undertake/plan to undertake activities as part of your initiative. This is your moment to frame out the specifics of your initiative and reference activities listed in the attachment we have requested. For your attached timeline you may use a table, workflow diagram, or any other format that is relevant for your organization.</p>	400
Clearly outline the target population that you will serve through this initiative. Is there an identified need in this target population and how do you aim to serve this need?	Who is most likely to benefit in your community, and how will you reach them? Do you already have an idea from them that this is the right initiative for their needs? Please include specifics of demographics and make special mention of any marginalized populations that you are serving. Please also include the reach of your initiative.	200
Overall, what would you like to achieve with your initiative? Please provide examples of social, environmental and business objectives for your initiative.	Use this question to explain your initiative's goals. If you have been running it already, please include examples of successful outcomes in line with your stated goals. These examples can be metrics, narratives, stories or testimonials.	300
Clearly outline the service/support you plan to access with this funding and how will it support the advancement of your initiative? Which service providers could you engage with to access this service/support and what cost estimates have you received for their services?	<p>What skills or competencies do you/your organization need to develop in order for your initiative to be successful? Use this question to detail exactly what you intend to do with the funds, should you receive them. The greater depth you are able to achieve the better in terms of quotes and engagement with prospective service providers.</p> <p>In addition please detail how you plan to leverage the support and insights from the service accessed to advance your initiative. Please include how this service and capacity building will support your</p>	400

	organization and how insights will be leveraged by staff, and possibly, community members.	
<p>In particular, where would you place your initiative on the Investment Readiness Continuum?</p> <ul style="list-style-type: none"> <li>• Early Stage Innovation</li> <li>• Strategic Impact Focus</li> <li>• Impact Sustainability</li> <li>• Financial Resilience</li> <li>• Investor Ready</li> </ul>	<p>The investment readiness continuum is a non-linear spectrum between the conception of an idea and its implementation and investment readiness. Employment and Social Development Canada defines 5 stages in this continuum with different skills and supports required at each stage. Please capture, to the best of your ability, where your initiative is on this continuum.</p> <p><i>NOTE: This question is for reporting purposes only. We will not be assessing applications based on their current stage and aim to support organizations from all stages of the investment readiness continuum.</i></p> <p><b>Early Stage Innovation:</b> Exploration and ideation of the initiative - aligning a proposed solution to an identified need.</p> <p><b>Strategic Impact Focus:</b> Feasibility analysis and community support development.</p> <p><b>Impact Sustainability:</b> Business model development, use of data for planning &amp; impact measurement, diversification of funding sources.</p> <p><b>Financial Resilience:</b> Revenue generation, legal structure (incl. debt &amp; equity), ability to scale and replicate.</p> <p><b>Investor Ready:</b> Sustainable cash flow and assets, track record for sustainability and networking with prospective investors.</p>	
<p>Please detail why this is a key unlocking moment for this initiative and how funding would help you progress towards Investment Readiness and advance your initiative.</p>	<p>Please explain where your organization is at with the exploration, development, implementation or scaling up of your initiative. If you have already generated any revenue please indicate this here.</p>	300
<p>What other support do you need in order to ensure the success of your initiative</p>	<p>Please indicate here if you intend to apply for other funding, work with other Readiness Support Partners,</p>	150

and how will/are you accessing this?	or access services from other expert service providers.

## Organization & Alignment

Application Question	Guidance on your answer	Word limit
Please indicate how your initiative fits with your organization's mission.	In reading this answer the committee will be looking to see coherence between the initiative and your organization's mission and work.  <i>NOTE: We recognize that some initiatives will not be housed within an established organization. In this case, please describe yourself or the team that is developing this initiative and how the initiative aligns with your values.</i>	200
Who is involved in carrying out your initiative's activities (e.g., staff, elders, mentors, and/or volunteers)? What particular skills and experience do they bring to the initiative?	Please give an overview of the roles played by staff, elders, mentors, and/or volunteers and the experience they bring. Please indicate their level of engagement and commitment to this initiative. You do not need to provide bios or resumes. Please speak to their relationship with target population(s).	200
Describe how your initiative aligns with the Canadian Women's Foundation and the Investment Readiness Program.	Please describe how funding this initiative in particular will help increase the potential for women-centred and women-led organizations to engage more in social innovation and to benefit from social finance.	200
How do you include a gender analysis in planning the approach and activities of your initiative?	Gender based analysis explores and highlights the relationships of all genders in society and the inequalities in these relationships. Please explain how you will highlight and address underlying gender stereotypical attitudes through your initiative and provide an example(s).	150
How are you encouraging equity, diversity and inclusivity in your work/the work of your organization? Do you have any formal policies, and if so, how are they used and updated?	Describe your approach to equity, diversity and inclusion and how these values align with you/your organization.	150

## Partnerships & Demonstration of Support

Application Question	Guidance on your answer	Word limit
Are there any other funders or partners involved in this initiative? If yes, what are their contributions? Will the Foundation's funds, if awarded, be used to leverage other funds?	The Foundation would like to see how these funds may leverage other funders, and understand what portion of required funds to advance the initiative will be coming from the Foundation.	150
Please list any partners working with you on this initiative, outlining their role and telling us how you will work together. Please indicate if their participation is confirmed.	List the groups that you are working with to support this initiative. We recognize that not all of them will be involved to the same extent and not all of them need to provide a letter of support.  In establishing partnerships take care to understand roles and responsibilities especially when seeking partnership with a qualified donee to access funding.	100

## Initiative Budget Instructions

In addition to meeting eligibility requirements and the overall criteria, your proposal will be assessed on your budget and request for funding.

You do not need to outline the budget for the whole organization or all of your programs, just for the services related to the initiative you are applying for. Please complete the online budget form to capture all expenses that will be incurred to enable your initiative to advance, through accessing the proposed service.
